

Permission Slip for Gower Children to Ride the Bus to the Red Division Meet

JL Mann has graciously agreed to loan us their busses for the Gower swimmers to ride to the meet together! It will be great to ride together and catch that Gower Spirit! Please sign below if you are allowing your child to ride the bus to the meet. Each child will be required to pay \$5.00 to ride the bus. This money is for the drivers and the escort.

It will be the parent's responsibility to bring their child home from the meet. In addition, parents please take your child's chair, bag, etc., to the Red Division Host Pool and put under the Gower tent. We will be limited with space and the children will be so excited they might leave something on the bus.
