

Welcome to the Summer 2023 season of Gower Estates Pool:

Gower members and guests,

The Pool Board is busy planning for Summer 2023. We are looking forward to another great season at Gower Pool! As we look forward to warmer weather, fellowship and the traditions that have helped us become and remain a close group of hard working friends, neighbors and young athletes - we want to thank all existing and incoming members for their commitment to making Gower Pool so special!

The Pool Board will be busy working on remaining landscaping improvements, planning for another successful season for the snack shack, and continuing to look for ways to enhance the pool experience.

Please continue to volunteer your time when available, support our pool and lifeguard staff, and get ready for another great summer!

See you at the pool! Go Gower!

Ben Trussell and the Gower Pool Board
